SUBJ: Proposal of NAS Whiting Field to the National  
Priorities List (NPL)

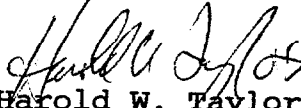

Dear Captain Tande:

In accordance with the provisions of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA) and as amended by the Superfund Amendments Re-authorization Act of 1986 (SARA), and in conformance with the Hazard Ranking System (HRS), the Environmental Protection Agency (EPA) is proposing the inclusion of Naval Air Station (NAS) Whiting Field on the National Priorities List. NAS Whiting Field will be in Proposal #16, published in the Federal Register (59 FR2568), Tuesday, January 18, 1994.

This letter serves as official notification to the base and is provided as a courtesy by Region IV. Region IV appreciates the cooperation of the Navy during the information review and evaluation process of the HRS and looks forward to working with the Navy in the future.

If you have questions about this decision, please contact Mr. Robert H. Pope, of my office, at (404)347-3016.

Sincerely,

  
Harold W. Taylor, Acting Chief  
Federal Facilities Branch  
Waste Management Division
